

YEZZ C24

The **YEZZ feature phones** are designed for those seeking for simplicity, accessibility and usability in a single device.

Their user-friendly interface makes them perfect for those who need to **communicate in their daily lives without complications**, also with extended features like camera, radio, bluetooth, among others in a high-tech and quality device.

The YEZZ C24 offers simplicity, the comfort of **communicating wherever you are** and much more.

A feature phone **with slim and lightweight design**, offering the ability to expand memory up to 8GB.

Capture moments with the rear camera and display them on the 1.8 inch display. The 600 mAh battery will give you the independence you need.

In addition, the YEZZ C24 comes with **VAMOS** to **increase the voice call capacity supported by the GSM network.**

Available in **black with red accents.**
